Instructions:

1. Emboss the Baked Brown Sugar with the Alphabet Press Embossing Folder and the Big shot. Attach this to the Very Vanilla card base.
2. Attach the Coastal Cabana stretch ribbon to the left edge of the Retro Fresh DSP and attach this to the card front.
3. Stamp the sentiment from Hip Notes in Tangerine Tango ink on the smaller piece of Very Vanilla. Round the right hand corners with the corner punch. Use the Scallop Tag Topper Punch on the left end. Tie a bow with the Calypso Coral Baker's Twine through the tag hole.
4. Add a strip of the Retro Fresh Washi Tape to the sentiment tag. Attach a Baked Brown Sugar In Color Boutique embellishment and two tiny pearls to the washi tape.
5. Create banners out of the 1/2" strips and attach them to the bottom right of the tag. Attach the tag with dimensionals to the card front.
6. Place two larger pearls on the bottom right of the card.
