- Trim the front flap diagonally from the 7-1/2" score line to the 6" score line. Cut 1/2" off the 3-1/2" front flap that you just cut diagonally. Add sticky tape as shown below.

- Put the box together by folding the front and back flaps on each piece together. Slide one side into the other side and attach them together with the sticky strip. Fold and stick bottom flaps over.
- Attach the designer paper pieces to the outside of the box.
