Instructions:

1. Stamp your sentiments in Rich Razzleberry and Tempting Turquoise on Whisper White and punch with the scallop oval and What's Up? Punches. Layer the scallop oval onto the extra large oval. Tie the melon mambo ribbon around the designer paper and attach the sentiments with dimensionals over the right side of the ribbon.
2. Create your flower by cutting the daffodil delight and old olive with the spiral flower die. Roll the yellow spiral and then attach half of the green spiral to create the flower. Stamp the leaves in old olive on old olive and cut out with framelits. Attach to the designer paper as shown in the photo.
3. Attach the designer paper to the rich razzleberry mat. Fold the card base and attach the bottom only of the decorated mat to the bottom of the folded front of the easel card.

4. Loop and attach a piece of the ribbon to the inside back of the card base. Attach a memo pad over the ribbon using double sided sticky tape, leaving a loop for a pen.
5. Add rhinestones as desired.
