

### Gold Dipped Dies and Sentiments

1. Die cut or fussy cut your piece.
2. Ink the bottom portion of your piece in Versa Mark ink.
3. Cover this in gold embossing powder.
4. Heat set with your heat tool

### Heat Emboss Glimmer Paper

1. Stamp your image in Versa Mark ink onto the glimmer or glitter paper.
2. Cover your stamped image with embossing powder in a color that will pop on the glimmer paper.
3. Heat set with your heat tool.

### Masked Sentiment Band

1. Use a 1" piece of masking tape across the width of your card panel.
2. Stamp your flowers or leaves above and below the tape, overlapping the tape.
3. Remove the tape.
4. You can use a ruler and a fine tip marker to add lines along the edges of the stamped image.
5. Stamp sentiment in the masked space.
