

Full of Life Center Panel Card with Sketched Butterflies

Kim Skinner

kimberlyskinner@optonline.net

<http://stampingimperfection.com>

1. Create a Basic White card base cut at 5-1/2 x 8-1/2", score and fold at 4-1/4".
2. Cut a piece of DSP at 3-1/2 x 5-1/2".
3. Attach the DSP to a coordinating card stock panel cut at 3-3/4 x 5-1/2" and attach these to the card front. Center all pieces.
4. Die cut or punch a shape to use behind your focal image. Add dimensionals to this and attach it to the card front.
5. Stamp your image. Ink it up in a lighter color, then use a sponge dauber to add some contrasting darker color along the edges or the center. Die cut or fussy cut your image out.
6. Pop your image up on dimensionals and add it to the die cut shape on the card front.
7. Stamp the sentiment in a coordinating color on Basic White and die cut it out with a sentiment die. Attach it to the card with dimensionals. Center it under the die cut with the image attached.
8. Add some embellishments to your card.

Optional: Play around with adding Baker's Twine or ribbon to your card as you put it together. I added Baker's Twine under the die cut shape or under the stamped image.
